Mrs. Malloy's Moments

Dear Redeemer Families,

As the end of 2020 is upon us, I can't help but be incredibly grateful that our Redeemer community has provided a loving, positive and supportive environment for our teachers and students. Thank you to all families for that in these uncertain times.

We are gearing up for our Christmas Performances that will be held outside on the church steps again this year!

I wish you all a very Merry Christmas!

Blessings,

Mrs. Malloy

Chapel Highlights

with Pastor Augie

We had a great time at chapel this week. In this month's chapel, we learned to say "Thank you God for Jesus!" because Jesus is God's gift to us - the best gift ever. We learned about the Bible story of Jesus' birth, and that Jesus' birthday is the reason we celebrate Christmas. You may want to ask your children to tell you all about the Christmas Story. :-)

Until we return to having chapels inside the church building, I am unable to show videos to the kids. Below is the video we would have watched today. They are on YouTube so you can let your children watch them at your convenience, and as often as they like!

If you have any questions about our chapels or our ministry in general, please do let me know.

Blessings and Christmas Joy!

CURRENT SERMON SERIES

Christmas is supposed to be full of good cheer and pleasant memories. But with all the stressors of the season, there are plenty of Grinches waiting to steal our Christmas joy. In this series, The _____ that Stole Christmas, we look at some of the most common things that can steal our joy during the holidays while also remembering that Christ can restore what sin seeks to take. This series will conclude on Christmas Sunday Dec. 26th. Find out more [HERE](#).
