Mrs. Malloy's Moments

Hello Redeemer Families,

What a great start to our school year it has been!

We have a couple of fun happenings to look forward to this month. Our second annual "Pumpkin Patch Experience" will happen mid-October, it is a fall festival time for all students! Towards the end of the month, we will have our Costumes on Parade. More details to come on this event as we are brainstorming ways to allow for parents to attend!

As the season changes, the leaves begin to fall and the days become shorter, we continue to be incredibly grateful for all our students and families that show Redeemer endless support. Also, for our hardworking, dedicated teachers and staff who do their absolute best to create a happy, healthy environment for each one of their students!

Blessings,

Mrs. Malloy

Chapel Highlights
with Pastor Augie

We had a wonderful time at our first chapel of the year. In this chapel, we learned that "God Made Everything!" You may want to ask your children about this. :-)

We have a lot of fun being outside in God's wonderful creation. However, when we are outside I am unable to show videos to the children, which I often do when we are in the Sanctuary. The video we would have watched is called GOD MADE OUR WORLD. It's only 45 seconds if you'd like to share it with your children:

If you have any questions about our chapels or our ministry in general, please do let me know.

Blessings and Joy in the Lord,
Pastor Augie

UPCOMING SERMON SERIES

At the heart of the Reformation movement was a rediscovery of God's grace. In this series, we take some time to reflect on how amazing God's grace is and how it can both challenge and change our lives. Find out more HERE.
