is offering

# SPEECH LANGUAGE AND HEARING SCREENINGS

On March 14<sup>th</sup> & 15<sup>th</sup>, 2016

- Did you know that on any given day, 1/3 of the children in every school have some type of problem which is temporarily or permanently affecting their hearing?
- Did you know that a child's development of good speech and language skills correlates highly with his success in the development of reading and cognitive skills?

Our children's speech/language and hearing are of utmost concern to us.

Monday and Tuesday, March 14<sup>th</sup> and 15<sup>th</sup>, we will be offering your children the opportunity to have their speech/language and hearing professionally screened. Kathleen Smith, MS, CCC-Sp, a licensed speech pathologist, will be performing speech/language screenings, which will assess your child's articulation, vocabulary, and language development. Joan Hewitt, Au. D, CCC-A, or Laurie Owen, M.A., CCC-A, licensed pediatric audiologists, will administer an audiometric screening to test for normal hearing levels. You will receive a report detailing the results of your child's screenings.

PLEASE PRINT  
CLEARLY

## PERMISSION SLIP

RETURN WITH  
CASH OR CHECK

speech/language and hearing screening

Please return to school before Friday, March 11<sup>th</sup>

Child's Name: \_\_\_\_\_ DOB: \_\_\_\_\_ Age: \_\_\_\_\_
